From the General Manager

It's hard to believe that summer is coming to a close. The final day for the swimming pool this season is Labor Day, September 1st. A special thanks to all our seasonal employees who helped make it another fun summer at JCC!

The JCC social calendar continues to fill up with fun events as we head into the Fall & Winter seasons! Be sure to mark your calendars for Casino Night on Friday, October 17th!

Bring the family out for our brunch specials on September 7th for Grandparent's Day. We will also have the full lunch menu available.

There is definitely a buzz out in the community about all JCC has to offer. I have fielded an above average number of membership

inquiries this summer. As always, our current members are the best recruitment tool we have. We appreciate your efforts..

There are still dates available in December for your holiday party. The Club is the perfect setting to entertain your friends, business associates, or employees. Many members have found that the Fairway Room and Card Room have provided a great environment for entertaining. Banquets also help solidify the Club's bottom line.

Thank you for supporting the Club. At all times, if we can do something to better serve you, please let us know.

Sincerely,
Mike

From the Golf Course Superintendent

The fall season is our favorite time at Jacksonville Country Club. We love the fall color that our trees provide as well as the cooler temperatures associated with this time of year. I will say however, every climate model that we look at does say that we will experience a somewhat extended fall warming trend later into the season than normal. The great fall weather will allow us to extend favorable conditions for play but will add the need for extra attention to our playing surfaces.

We will be verti-cutting greens and also slit seeding into the weak areas in the fairways. Greens aerification is scheduled for October 13th and 14th. We will be punching a deep hole and top-dressing after with sand. We appreciate your patience and understanding.

We hope that you all are enjoying the activities the club has to offer. We look forward to seeing you out this fall.
