From the General Manager

I would like to thank everyone who chose to celebrate Valentine's Day at the Club. Members and guest enjoyed the sounds of pianist Ed Clark and Tim Chipman.

March is shaping up to be a busy month at the Club! On March 15th, we will be holding our Annual Meeting. With our Centennial approaching, there will be a special presentation of the new Centennial Fund. Then, on Friday, we will celebrate St. Patrick's Day with a variety of specials and a whiskey tasting. To round out the month, we have our popular Craft Beer & Burger night on March 23rd! Please make your reservations early as we anticipate these events drawing a lot of interest.

The computer software update is progressing along. We are still trying to resolve some issues integrating the system with our current website. The plan is to go live in early April.

Although dues are our primary source of income, private parties and golf outings are a large variable in our financial success. Please consider giving us an opportunity to host your next event.

The Spring Membership Promotion can be found on the front page. The program will be offered through April 30th. If you have family members, friends, neighbors, or business associates who are good candidates to join the Club, please let me know. The JCC Open House on April 14th is a great opportunity to showcase the Club. Show them what JCC has to offer!

Sincerely,
Mike

From the Golf Pro

As we head into March, let's hope the temperatures are conducive and lead us to an early Spring. We are ready to get the golf season underway! Posting scores for handicap and tee-times will begin April 1st.

The golf industry is energized about growing the game. All of the big equipment companies (Titleist, Cobra, Ping, Callaway, and TaylorMade) have launched new products for this season with game improvement in mind.

You will start seeing new merchandise arrive in the shop towards the end of this month and early April. The colors for the apparel lines this Spring are fantastic!

We will once again price our equipment to be very competitive with the discount stores. Also, a custom fitting session is free when the clubs are purchased from us. Our annual Demo Days will begin in late April!

Last month, I (along with Alex and Isaac) attended the PGA Teaching & Coaching Summit in St. Louis featuring legendary Mike Bender. Bender has been a top 3 teacher for over 20 years. Always good to learn from the best.

If there is something you would like to see in the Pro Shop, on the golf course, or at the Club in general, please let me know.

All the best,
Mike

Golf Cart Pass:

We will once again be offering a Golf Cart Pass. This pass entitles you (and spouse) to rent a golf cart unlimited times in 2023. The fee is $880 and will be billed in March. Those that were enrolled last year will automatically be billed unless we are notified.
