## From the General Manager

The recent Annual Meeting was attended by nearly 100 persons. President Steve Turner reported on JCC accomplishments and expressed gratitude to Club staff. He also thanked the membership for their support, especially during the centennial year. An informative re-cap of the 2024 financial results were presented. Activity at the Club has increased significantly the past couple of years, which contributed to an improved bottom line. It was also noted that management has done a good job controlling expenses in an environment of rising costs. The Board encourages members to entertain prospective at the open house on April 11th. If you were unable to attend the meeting and would like a copy of the annual report, please let me know.

Retiring Directors were recognized with a plaque for their service over the past three years: Steve Turner, Jim Freeman, and Jay Hornbeek. Three new Directors were elected to three-year terms and we welcome Joe Hutchison, Curt Keim, and Eric

VanTuyle. After the meeting, the Board met and elected Ginny Fanning as President, and Joan Forney as Vice-President.

We have welcomed six new members to the JCC community this year. Remember that you, our current members, are the best recruitment tool we have. The new member promotion continues through April 30th.

On April 1st, the Club will re-open on Tuesdays with our JCC Pizza special! The limited dinner menu on Tuesday nights will follow the same format as previous years.

If a special event is on your horizon, we would appreciate an opportunity to serve you. Leave the work to us, so you can relax and enjoy the event.

There is truly something for everyone this year at the Club. Please share your suggestions and comments so that we can enhance your enjoyment of the Club!

Sincerely,  
Mike

## ***From the Golf Course Superintendent***

Welcome back returning golfers and new members. The course is now open to both walking and golf carts. Spring time can bring many challenges with weather that may not allow us to have golf carts on the course. If areas of the course are too moist for carts, we encourage you to still get out and walk. We ask that you have patience and understanding during these times as we are trying to protect and maintain this beautiful course. We will be vigilantly looking at future forecast to prepare for the best playing conditions.

The maintenance staff has been busy over the winter. We have repainted course accessories and performed maintenance on our equipment to help maintain the course for the upcoming year. Our staff will continue to do our best to provide a beautiful course for all members.

This spring our focus is getting pre-emergent sprayed on the greens, fairways, and tees. Aerification of the greens will take place this year on April 7<sup>th</sup> and 8<sup>th</sup>. We are hopeful that everything will go smoothly as the fall deep tins. This year we will be pulling out the core as we did the year previously. This will help keep the puffiness out of the greens resulting in a smoother playing surface.

We are looking forward to the warmer days approaching that will allow members to be able to play the game they missed during the winter months.

## From the Golf Pro

April kicks off our active year of golf events! Be sure to mark your calendars for these important dates:

<b>April 24</b>	Golf Demo Day—Ping
<b>April 29</b>	Golf Demo Day—TaylorMade
<b>April 26</b>	Men's Opening Day
<b>May 1</b>	Golf Demo Day—Callaway
<b>May 6</b>	Ladies Style Show
<b>May 7</b>	Ladies Opening Day

We will once again have the Ping custom fitting cart this year. We now have over 30 different iron shafts to help fine tune your set of clubs. We can use this cart to fit any brand of clubs — Titleist, TaylorMade, Callaway, & Cobra. Remember, we not only fit woods and irons, but also putters. Custom fitting plays a key role in optimizing your performance of the game.

In April, we are featuring golf shoes at 20% off retail. We have over 50 pairs of FootJoy shoes in stock. We will continue our aggressive golf ball sale. When you buy a dozen golf balls, you receive \$4.00 off. I think you will find these prices, as well as golf club prices, very comparable with the golf discount merchandisers.

Spring has arrived, and so has our new collection of apparel from Lululemon, FootJoy, Under Armour, and Greg Norman. Designs are geared for on and off the course.

We hope to see you back on the course and driving range soon!

All the best,  
Mike
