## ***From the General Manager***

At the time of this writing, the bar renovations are coming along nicely. However, with the icy weather we experienced the project fell behind schedule. Unfortunately, we need to delay the re-opening until Friday, February 2nd. We hope to have the majority of things in place (with the exception of the bar chairs and a few other items) when we re-open. **We will offer carry-out service for dinner only on Wednesday, January 31st and Thursday, February 1st.** Watch for an email with details.

In addition to the bar updates, we will also debut our new dinner menu on Friday. The menu will have several new, modern items such as Gnocchi Carbonara, Teriyaki Pork Bowl, and Baja Fish Tacos. All of your JCC favorites can be found in a new section referred to as "Centennial Classics." The "Starters" section will offer more non-fried options like our popular Crab Cake and Bruschetta. You will also find an increase in gluten free items. Furthermore, our bread offerings will include a gluten free option. For all the sweet lovers, we are changing our dessert offerings. We will be moving away from the traditional dessert list and instead offering approximately 4-5 desserts as "specials." These items will rotate and be made in-house.

During the shut-down, the staff was able to work on several maintenance items as well as deep cleaning the kitchen and front of the house. Our plans did take a slight detour the first week of shut-down, when we had a water line break in the

Clubhouse. We were very fortunate to get the water turned off and repaired in a timely manner.

We will be offering two occasions this month to celebrate with your valentine! First, is our traditional Valentine's Brunch on February 11th featuring Ed Clark on the piano. Then, on Valentine's Day we will offer a special menu. We are pleased to have pianist Tim Chipman at the Club for this special evening. Please call early for a reservation.

The Centennial New Member Promotion is underway! The program will be offered for 100 days (through April 30th). If you have any family members, friends, neighbors, or business associates who are candidates to join the Club, please let me know. The JCC Open House on April 12th is a great opportunity to showcase the Club.

There is a lot to be excited about at Jacksonville Country Club as we plan to celebrate our centennial year. We will announce all the fun filled events at the Annual Meeting in March. If you are unable to attend, I will email the schedule out to the membership the following day so you can mark your calendars.

As you start planning your social and business calendars for the year, please keep us in mind for your special functions — whether it be at the clubhouse, golf course, swimming pool, or tennis courts. We appreciate the opportunity to serve you.

Sincerely,  
Mike

## **JCC MEMORABILIA**

Our Centennial year has finally arrived! We will have celebrations throughout the year with our Grand Celebration on Saturday, July 6th. If you have photos, pictures, newspaper articles, etc, that represent any part of JCC's proud history, we would like to hear from you. Please contact Mike at [michaelanderson@jacksonvillecc.com](mailto:michaelanderson@jacksonvillecc.com) or 245-7717.

## From the Golf Pro

We have extended the grip special to run through February 29th. If you would like us to check the condition of your grips, please let us know.

I also wanted to remind the "snow birds" to keep your scorecards from the winter. We will post your scores for you when you come home. All we need is the course rating and slope from the courses you played. Some of you have already taken care of this by being able to merge your two handicaps via updated WHS software.

All the best,  
Mike
