From the General Manager

There's a new level of excitement at Jacksonville Country Club as the 100 Days of Centennial Summer is underway! Be sure to try some of our classic garlic toast the next time you are out for lunch. We have also brought back the pearl mints! This month, drink and dinner specials will focus around the 80's. Mark your calendars for June 9th, as BINGO and Fried Chicken Buffet return to JCC! This was a Sunday tradition at the Club many decades ago.

The membership drive yielded 23 new members. We have now welcomed 83 new families to the JCC community over the past three years! A sincere thank you to the membership for their recruitment efforts.

This month we celebrate DAD on June 17th.

We will offer brunch as well as a dinner buffet. Be sure to call and reserve your table.

Make plans to be at the Club on Fourth of July Weekend. We will kick things off on Thursday with our traditional July 4th activities. The weekend wraps up on Saturday evening with our Grand Centennial Celebration. Make your reservations early, as we expect to be at full capacity for this historic weekend. (All the details can be found in the center of this newsletter.)

It's been great seeing the spike in activities! Whether it be swimming, pickleball, tennis, golf, or dining, the Club has something for everyone. Be sure to participate in all your Club has to offer.

Sincerely,
Mike

From the Golf Course Superintendent

The warmer weather means there are more golf days ahead! I hope that everyone is getting out and enjoying the course between the rainfalls. The maintenance staff appreciates your patience as we prepare the course for play in wet

conditions. As a reminder, please try and adhere to cart signs that direct traffic from wet areas. If carts are unavailable due to wet conditions, golfers are still encouraged to walk the course.

This season we will be verti-cutting the greens. This will allow the grass to grow vertically which will ultimately lead to faster green speeds.

The flowers planted around the Clubhouse and Pro Shop are blooming nicely. The addition of a fresh mulch layer in our flower beds will be a nice improvement as well.

The maintenance staff is working hard to make sure the course is looking great for members to enjoy the best golfing experience this season. We hope that you will get out and enjoy the nice weather to come.
