## **From the General Manager**

Summer is off to a great start at JCC! It has been great seeing the membership utilizing all aspects of the Club. Our junior golf and swimming programs are in full swing. If your child is currently not involved in these sports, there is still time to participate. Your child will enjoy the experience. We have a very energetic and friendly staff that aim to keep the programs fun!

You will notice several activities and events this month! It all starts on the Fourth of July. The day begins with our Red, White, and Blue golf scramble, followed by pool games. The fun filled holiday will conclude with our traditional Fourth of July picnic buffet in the Clubhouse.

Don't miss the Couples Golf Guest Mixer on Friday, July 14th. Be sure to sign up early, as the

last event sold-out. We are looking forward to having talented musician Billy Galt back at the Club to play after golf.

Join your fellow members on July 28th for our Summer Party! This a great member mixer opportunity. You won't want to miss one of the highlights of the summer! (Details can be found on page 3.)

While we have seen a welcomed increase in business, our staffing levels continue to be a challenge. Please help us by calling ahead to make lunch and dinner reservations. We appreciate it.

As always, thank you for supporting the Club. Please keep us in mind if you have a special event on the horizon. We appreciate the opportunity to serve you.

Sincerely,  
Mike

We are offering a pickleball clinic on Thursday, July 6th from 4:30-5:30 for \$10.

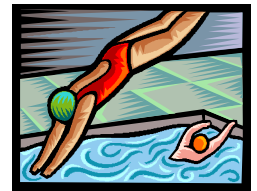

Our annual "Rally for the Cure Event" is set for early August. Keep your eye out for sign up sheets at the clubhouse. This event is a fundraiser for the Susan G. Komen Cancer Society. We are looking for twelve ladies to play in a round robin doubles style event. Prizes will be awarded. If you are interested or have any questions about this event, feel free to stop by the snack shop to register or you can call me at 491-3151.

I look forward to seeing you on the beautiful new courts!

Wednesday,  
August 9th

## **From the Golf Pro**

We have a fun red, white, and blue scramble event planned for the Fourth of July. We will have tee-times for open play starting at 1:30 p.m. (Be sure to reserve a time.)

Mark your calendar for Couples Golf in July! Don't miss our fun MAD scramble on July 14th. Then, on July 23rd we have our 18-hole His & Her Tournament. The event will be one best ball, twosome. Please sign up at the Pro Shop.

Our junior golf program is underway. It's been great to see several new kids introduced to the game of golf and seeing their steady improvement!

We are coming into the home stretch in the participation points race. Check with the Pro Shop to see how you stand!

I would like to thank all of you who supported our Father's Day Sale in the Golf Shop. I sincerely appreciate everyone's loyalty and patronage. I will always do my best to match prices with a competitor.

We hope to see you out on the golf course soon!

Mike

## **From the Golf Course Superintendent**

Summer has finally made its arrival. I hope that everyone is able to get out and enjoy all of the summer activities that the club has to offer from swimming, to eating a delicious meal with friends, or playing the great game of golf.

It's starting to look like we are going to need a tropical storm to break out of this drought. On a positive note, the lower evening temperatures and lower humidity have allowed the poa annua to survive. We do our best to keep plant protectants applied but mother nature ultimately decides when we are able to do so. The irrigation system is doing its best to keep up with the warmer temperatures and the lack of rain.

During this time of summer, the turf is stressed to its limits. You can help by repairing ball marks, filling divots, and observing the cart rules. Using the cart paths instead of the green surrounds is a big help.

We are looking forward to a successful summer. The maintenance staff is working hard to provide the best playing conditions for members and tournaments held here at the course.
