From the General Manager

The recent Annual Meeting was attended by over 100 persons. President Greg Schone reported on JCC accomplishments and expressed gratitude to the Club staff. He also thanked the membership for their support. An informative re-cap of the 2023 financial results were presented. Activity at the Club has increased significantly the past year, which contributed to an improved bottom line. It was also noted that management has done a nice job controlling expenses in an environment of rising costs. Schone encouraged members to entertain prospectives at the open house on April 12th. If you were unable to attend the meeting and would like a copy of the annual report, please let me know.

Retiring Directors were recognized with a plaque for their service over the past three years: Greg Schone, Darin Gehrke, and Andy Smith. Three new Directors were elected to three-year terms and we welcome Joan Forney, Dr. Jim Green, and Gerald Turner. After the meeting, the Board met and elected Steve Turner as President, and Ginny Fanning as Vice-President.

Our year-long CENTENNIAL CELEBRATION is officially underway. Centennial Co-Chairs, Marcy Burrus and Ginny Fanning presented the schedule of events, which can be found on page 7 of this newsletter. There's

a wide variety of activities that the entire membership will enjoy. Be sure to mark your calendars and participate in what will be a year to remember at JCC!

As we are celebrating our 100th birthday, we thought it would be nice to recognize our members birthdays each month with a complimentary piece of cake. Be sure to come out on Sunday, April 21st and celebrate with your fellow members.

We have welcomed five new members to the JCC community this year. Remember that you, our current members, are the best recruitment tool we have. The new member promotion continues through April 30th.

On April 2nd, the Club will re-open on Tuesdays with our JCC Pizza special! The limited dinner menu on Tuesday nights will follow the same format as previous years.

If a special event is on your horizon, we would appreciate an opportunity to serve you. Leave the work to us, so you can relax and enjoy the event.

There is truly something for everyone this year at the Club. Please share your suggestions and comments so that we can enhance your enjoyment of the Club!

Sincerely,
Mike

CENTENNIAL NEWS

Our year-long CENTENNIAL CELEBRATION is officially underway!

Listed on the following page, you will find the full schedule of events.

There's a wide variety of activities that we feel the membership will enjoy.

Our Grand Celebration will be over Fourth of July Weekend. July 4th has always been special at JCC, as the first rounds of golf were played on Independence Day.

Another highlight on the schedule is the return of Comedy Night on May 25th!

This was an annual event for many years. May 25th also marks the start of

"100 Days of Centennial Summer" that will carry-on through Labor Day.

During these 100 days, we will have themed days of the week to celebrate JCC's past.

There will also be a few surprises along the way!

Each month, we will be acknowledging a decade throughout the year.

Drink and dinner specials that were popular from that era will be featured.

Please watch for details in the monthly newsletter and member emails.

GROUNDS & KITCHEN
EQUIPMENT

From the Golf Course Superintendent

Welcome back returning golfers and new members. The course is now open to both walking and golf carts. Spring time can bring many challenges with weather that may not allow us to have golf carts on the course. If areas of the course are too moist for carts, we encourage you to still get out and walk. We ask that you have patience and understanding during these times as we are trying to protect and maintain this beautiful course. We will be vigilantly looking at future forecast to prepare for the best playing conditions.

The maintenance staff has been busy over the winter. We have repainted course accessories and performed maintenance on our equipment to help maintain the course for the upcoming year. One of our most important projects this winter has been restoring bunkers on holes 2, 5, and 6. We have improved the drainage system, so that there will no longer be standing water. Our staff will

continue to do our best to provide a beautiful course for all members.

This spring our focus is getting pre-emergent sprayed on the greens, fairways, and tees. Aerification of the greens will take place this year on April 15th and 16th. We are hopeful that everything will go smoothly as the fall deep tins. This year we will be pulling out the core as we did the year previously. This will help keep the puffiness out of the greens resulting in a smoother playing surface.

We are looking forward to the warmer days approaching that will allow members to be able to play the game they missed during the winter months. We look forward to a great centennial year for all.

Chad

Participation Points

This year, we will once again be offering a "Participation Points" program. Points will begin being awarded for Men's and Ladies events. All ties will be decided by the number of golf rounds posted at JCC during the handicap season. The breakdown is as follows:

MEN'S

- 20 points each — Opening Day, Memorial Day, Fourth of July
- 40 points each — Match Play Tournaments, Tuesday League, Member-Member, Generation Gap
- 60 points each — Two Man Championship, Club Championship, Labor Day Sweepstakes

LADIES

- 20 points each — Opening Day, Invite a Friend #1, Invite a Friend #2, Closing Scramble
- 40 points each — Club or Senior Championship, Ladies Guest Day
- 5 points each — Other weekly Wednesday events not listed above.

PRIZES (Pro Shop Credit. There will be a Mens winner & Ladies winner)

From the Golf Pro

April kicks off our active year of golf events! Be sure to mark your calendars for these important dates:

- April 9** Golf Demo Day—Titleist
- April 23** Golf Demo Day—TaylorMade
- April 24** Golf Demo Day—Cobra
- April 25** Golf Demo Day—Ping
- April 27** Men's Opening Day
- April 30** Ladies Style Show
- May 1** Ladies Opening Day
- May 2** Golf Demo Day—Callaway

We will once again have the Ping custom fitting cart this year. We now have 30 different iron shafts to help fine tune your set of clubs. We can use this cart to fit any brand of clubs — Titleist, TaylorMade, Callaway, & Cobra. Remember, we not only fit woods and irons, but also putters. Custom fitting plays a key role in optimizing your performance of the game.

In April, we are featuring golf shoes at 20% off retail. We have over 50 pair of FootJoy shoes in stock. We will continue our aggressive golf ball sale. When you buy a dozen golf balls, you receive \$4.00 off. I think you will find these prices, as well as golf club prices, very comparable with the golf discount merchandisers.

We are expecting another shipment of Centennial logoed quarter zips and short sleeve shirts early April. Come out and take a look while selection is good!

We hope to see you back on the course and driving range soon!
