From the General Manager

I would like to thank everyone who supported the Club last month, especially Valentine's weekend. A special thank you to pianist Ed Clark for playing Saturday night and then returning Sunday morning for brunch.

March is shaping up to be a busy month at the Club! On March 16th, we will be holding our Annual Meeting. This year we will be zooming the meeting for those unable to attend. Details will be sent via email in the days to come. The following day, we will celebrate St. Patrick's Day with a variety of specials. To round out the month, we have the return of Chef Junior's Cooking Class on March 24th! Then, on March 25th we have a Date Night featuring Tequila Tasting! Please make your reservations early as we anticipate these events drawing

a lot of interest.

Although dues are our primary source of income, private parties and golf outings are a large variable in our financial success. Please consider giving us an opportunity to host your next event. The Spring Membership Promotion can be found on the front page. The program will be offered through April 30th. If you have family members, friends, neighbors, or business associates who are good candidates to join the Club, please let me know. The JCC Open House on April 9th is a great opportunity to showcase the Club. There are also other avenues to entertain a prospective member, such as a Golf Guest Day, Happy Hour on Fridays, etc. Show them what JCC has to offer!

Sincerely,
Mike

From the Golf Pro

As we head into March, let's hope the temperatures are conducive and lead us to an early Spring. We are ready to get the golf season underway! Posting scores for handicap and tee-times will begin April 1st.

The golf industry is energized about growing the game. All of the big equipment companies (Titleist, Cobra, Ping, Callaway, and TaylorMade) have launched new products for this season with game improvement in mind.

You will start seeing new merchandise arrive in the shop towards the end of this month and early April. The colors for the apparel lines this Spring are fantastic!

We will once again price our equipment to be very competitive with the discount stores. Also, a custom fitting session is free when the clubs are purchased from us. Our annual Demo Days will begin in late April!

If there is something you would like to see in the Pro Shop, on the golf course, or at the Club in general, please let me know.

All the best,
Mike
