## From the General Manager

Our Centennial year is off to a great start! There's certainly a new level of energy at the Club! Thanks to all of those who supported our first Fiesta Friday as well as our Member Appreciation. It was great to see such large crowds.

Mark your calendars for Saturday, May 25th as we kickoff the 100 Days of Centennial Summer with the return of Comedy Night! This day also marks the beginning of the Pool season. I am pleased to announce that Jaymee Vollmer will be our Pool Manager. She will be entering her 4th year at JCC. Be sure to come out on Memorial Day, as we have a cookout planned for lunch followed by several games for the kids. We will also have a morning golf event and open pickleball play. Our holiday concludes with a Fried Chicken Buffet in the Clubhouse.

We have two opportunities to celebrate MOM this month! Our traditional Mother's Day lunch buffet will be offered from 11:00 am- 2:00 pm. For

dinner, we will offer our Yankee Pot Roast special from 5:00 pm--8:00 pm. A limited dinner menu will also be available. Make your reservations early! Our Easter lunch buffet sold out!

Are you looking for a good book to read? The Book Club will be reading The Husbands by Holly Gramzio. Come join the conversation at 12:00 pm on May 7th. The group is happy to see new faces!

At the time of this writing, we have welcomed 20 new members to the JCC community this year — 80 new members in 3 years! We hope to add a few more as we approach the April 30th deadline. A heartfelt thanks to the membership for all their recruitment efforts.

Come be a part of the upcoming events! There is truly something for everyone! Take advantage of all your Club has to offer! It's an exciting time to be part of JCC!

Sincerely,  
Mike

## From The Grounds Superintendent

What a great start to the golf season! It has been an unseasonably warm spring this year allowing for quite a bit of play in the early part of this spring. The tree flowering season has been beautiful, especially the flowering crabapples and dogwoods. We have been busy verti-cutting, areifizing, and applying crabgrass pre-emergent to help prepare the grounds for a fantastic playing season.

We are still working to install new draining systems in the remaining bunkers around the course. These new draining systems will help decrease the amount of standing water in the bunkers, allowing for better playing conditions.

The maintenance staff is looking forward to a great golfing season we hope members take advantage of all the activities the club has to offer!
