

BUSINESS MEMBERSHIP

A Business Membership application will only be considered if all of the named individuals on the Business Membership application are employed under the business' name.

A Business Membership must designate one owner, officer, or employee as a Regular Member with full Regular Member privileges that include use of all the golf, tennis, pool, and social facilities of the Club.

Additionally, the Business Membership allows for up to four additional owner, officer, or employees to be named as Business Associate Members. These four Business Associate Members will enjoy the use of the pool, tennis, and social facilities of the Club and have the right to play golf a maximum of six times per month at one-half (1/2) of the current guest fee.

The Business Member will be entitled to a maximum of 24 golf guests per month. These guests may play with any of the five named individuals on the Business Membership at the current guest rate.

A Business Member is defined as follows:

- An individual over the age of twenty-one (21) and his/her immediate family;
- The individual whose name appears on the membership application for a Business Member; and
- The Business Member who has been approved for membership by the Board of Directors, after the application process, and paid all applicable fees and dues that is associated with becoming a member of the Club.

A Business Associate Member is defined as follows:

- An individual over the age of twenty-one (21)
- An individual employed by the business making application whose name appears on the application.
- The Business Associate Member who has been approved by the Board of Directors after the application process.

The Business Member shall control the use of the Club by his or her immediate* family, and he or she has the right to restrict or relinquish such use altogether. The Business Member shall not be permitted to transfer the membership without a written request and subsequent approval by the Board of Directors. The Business Member and Business Associate Members must be designated annually and must be approved by the Board of Directors. The designations are to be submitted in writing prior to January 1st.
